

How To Get Buyer Clients To See Value In A Realtor.®

Easy, add value by making their home purchase an easier, safer, more affordable and hassle-free experience.

We can help.

RealProperty Transaction Centres Inc. has streamlined the way home closings are done. We have developed packages that allow realtors to offer their clients **guaranteed fixed cost quotations** that include legal fees, disbursements, Title Insurance and a variety of protection services and options. **The SafeClose™ Home Systems and Appliance Warranty** protects your client from the high cost of repairs due to unexpected breakdowns of covered home systems and appliances. The **SafeClose™ Home Closing Protection Program** guarantees your client's closing costs from escalating due to unforeseen delays or closings that fall apart. We also include a **lawyer's review of agreements and status certificate**, our unique and convenient **R-Close™ HouseCall Closing Service** and **key pick ups at the nearest participating brokerage office**. Add to that our **state-of-the-art file tracking software** that keeps you and your clients in the loop at every minute, and you have real value-added programs **No FSBO or Reduced Commission Service can ever hope to match.**
